France's most irresistible cop is back.

Season 5

After the traumatic ending of season 4, the hit series returns for a brand new chapter.

All eyes are now on Kader and Adeline. The two colleagues have finally taken the plunge and got together but are facing big upheavals personally and professionally... And on the streets, criminals are still doing their dirty work...

A season at a crossroads, with crime and intrigue masterfully solved as always, plus some unexpected yet very welcome surprises in store!

Mondays at 6:40pm
